

LIVING THE GOSPEL OF LIFE

Suggestions for families, parishes, and schools

Ask your pastor to consider the Spiritual Adoption Program

This program includes prayer and much more to save lives, help mothers and fathers, and evangelize for Life.

This is a great opportunity to spread the Gospel of Life in your parish and Catholic school.

Share with parents: "A Precious Conversation With Your Child"

Encourage parents to talk to their young children about God's immense love for each child before he or she was born and even before God created the world!

www.4life4family.org/conversation

Display the "Memorial for Unborn Children" statue at your parish

Ask your parish to display a replica or a photo image of the famous sculpture to spread abortion awareness and healing. These sculptures touch hearts in ways that words alone cannot, offering Hope to hurting women and men. Prayer cards are also available.
